Brussels 20th of July, 2017 STRADE

# Let's start with some exciting news!

## Gold value chain cooperates for responsible gold

19 June 2017

International Responsible Business Conduct (IRBC) Agreement for responsible gold value chain signed: Know, Show and Improve

### Download Agreement Gold

Agreement on international responsible business conduct of companies in the Netherlands with gold or gold bearing materials in their value chains (PDF, 632 kB)

## Three main messages:

1. European Partnership Responsible Minerals
2. Extractive Industries Transparency Initiative
3. The circular economy myth

EPRM

## EUROPEAN PARTNERSHIP FOR RESPONSIBLE MINERALS

Better conditions for mine workers,  
benefiting the mining communities  
through upstream, midstream and  
downstream activities.

European  
Partnership  
for Responsible  
Minerals

# Goal of the EPRM

## Background

- Accompanying measure to the EU Conflict Minerals Regulation

## Goal

- Increase the proportion of responsibly-produced minerals from conflict-affected and high risk areas and to support the socially responsible extraction of minerals that contributes to local development.
- Promote dialogue and cross-sector learning through multi-stakeholder partnership.
